1) 110. Parking of vehicles:- If vehicles are parked on a carriage way, the effective width of the carri ge way is reduced. If such parking is permitted at all, it should be strictly regulated.

111. We recommend that -

2) 1. In a business locality no car be permitted to park at a place for more than half an hour. Carts should not be allowed to be parked within 100 ft. of corners of road junctions.

3) 2. All big business establishments and Cinemas should be required to provide parking places for their traffic.

4) 3. Public garages should be constructed by the Corporation or by private enterprise in busy centres. It is possible to run these on a commercial basis. One such garage is urgently necessary at at Chickpet.
